

**AMENDMENT**

In the claims, kindly amend claim 30 as follows:

30. (Amended) A compound of Claim 21 represented by the formula

wherein R', R<sup>1</sup>, R<sup>6</sup>, R<sup>4</sup>, R<sup>5</sup>, R<sup>20</sup>, R<sup>21</sup>, t and Y' are as described herein.

**REMARKS**

**The Amendment**

The amendment merely corrects a typographical difficulty with original claim 30, as the structural formula was printed over the text. The amended claim corrects only this difficulty, and is otherwise identical to claim 30 as filed. Applicants respectfully submit that this amendment is supported by the original claim and adds no new matter to the application. Applicants earnestly solicit entry of the amendment.
